JULY 2018

INTRODUCING THE BRYAN HORNE TROPHY FOR BEST AUSTRALIAN BUILT/ ASSEMBLED VEHICLE

The late Bryan Horne will be remembered this year at the Shannons Sydney Classic with the inaugural Bryan Horne Trophy to be presented to the owner of the vehicle judged to be Best Australian Built or Assembled Vehicle. That's Bryan and his wife Jennifer pictured above in the Holden.

Bryan was the long term Chairman of the CMC Concours Judging Panel and probably longest serving member of the CMC Committee. He passed away in August 2016.

If you have entered the Concours with an Australian Built/Assembled Vehicle your car could be included in this new Category of the Shannons Sydney Classic Concours.

Concours Entries close on 21st July 2018 so get your entries in today.

Forms can be downloaded from the CMC Website:

Of course you can all help in some way to make the job easier and that is to volunteer to assist either on the Saturday 11th or Sunday 12th August—or maybe BOTH DAYS.

Jobs vary from line-marking Areas A, B, C and D on the Saturday. While this is being done another group of volunteers is working in the Pit Lane Garages putting together the Flags onto poles ready to be taped around the bins and put in place in the various Areas.

As well as this, we have a team of people getting ready to fill the 2000 Shannons Bags with The Preserves and other brochures. Then there's decorating the CMC Garage and CMC Markets Garages and the list goes on and on.

On the Sunday we desperately need at least one or two members from each Club to act as Marshalls in Areas A, B, C, D and E, to ensure all vehicles are correctly spaced in their allocated areas.

We will need assistance in the CMC Garage on Sunday selling Raffle Tickets, Merchandise and handing out SSC Medallions. Just an hour of your time on the Sunday will assist us greatly.

At the end of the day on Sunday we will need help gathering the flags and checking them off and putting away in the CMC Trailer. **Don't forget the Volunteers Afternoon Tea on Saturday 28th July 2018 at 1.30pm—register with Karen for this please on 9520.4677**

Closing date for the Concours is fast approaching (21st July) and this year we initiate the **Bryan Horne Trophy for Best Australian Built/Assembled Vehicle**. We're delighted that Bryan's wife Jennifer Horne will be attending and bringing the fabulous Holden Convertible to Shannons Sydney Classic—it will sit on Pit Lane alongside the Concours vehicles.

Sorting through the paperwork and computer items which we now have from Julie Williams' family is taking some time. It is a well-known fact that you have no idea how much one person did for you until they are gone. If ever there was a case of this fact you need look no further than the CMC, the APMC and several clubs Jules did everything Secretarial wise for. Unbelievable the effort that lady put in for the old car movement over the years.

I have taken on the task of keeping the relatively new Classic Vehicle Scheme (CVS) operational and it is a HUGE job for an old computer luddite like me. The number of vehicles reached 1,850 just recently plus the flow of annual renewals is constant. A far cry from the rather optimistic estimates by some of 10,000 back in 2016 as we started the CVS off but a significant number all the same. Interesting how many new applications are for vehicles "converting" from the Historic scheme (HVS) to the newer CVS. May be something to do with the number of cars being picked up by RMS Inspectors at events. I know of eight from one event alone. You may be aware that at least one club has been taken off the approved list for HVS by the RMS after multiple transgressions. So please be warned that it is happening and will catch up with some clubs soon.

Soon we begin the campaign to ensure that the 60 day logbook system is made permanent at the end of the second two year trial period.

We will start it off in the near future to ensure that the RMS etc do not leave it until the last moment and simply extend the trial once more.

RATTLE AND HUM SHOW

Castle Hill RSL held the 10th Annual Rattle & Hum Show on Sunday 24th June 2018 — a great day with lots of stalls and kids activities. There were 300 plus cars from all makes and models, classics, hot rods, speed-cars etc. There was a great line-up of cars from Mustangs to GTs many being turned away from around 9.30am.

Gate collections and entry fees from car owners raised more than \$10,000 this year which was donated to Tallowood School at Kellyville. Tallowood has around 100 students with moderate to severe intellectual disabilities in classes from Kindergarten to Year 12 . The School plans to put this years money towards replacing its 8 outdated interactive whiteboards with touch screens, to provide personalised learning for its students.

Over the past decade this Event has raised more than \$80,000. What a great effort!!! Just a few shots below...

SHANNONS SYDNEY CLASSIC

For the SSC this year medallions will NOT be in the Shannons Bag. There will be a leaflet in the bag for you to collect your medallion from the CMC Garage (Garage No 50).

Don't forget there will be a **Volunteers Meeting on Saturday 21st July 2018 at 1.30pm at the Arena Club**, Rookwood Rd, Yagoona. Please contact Karen on 9520 4677—we'd love to see you there. Afternoon tea supplied.

We had a record number of entries in the Concours last year. Let's keep the momentum going and see if we can break that record this year. Concours Entry Forms were sent out with your SSC Window Stickers. Remember that originality counts for a major portion of the points so, we don't need pristine so much, as well-kept and original. **Concours entries will close on Friday 21st July to allow for window stickers to reach entrants in plenty of time.**

MISSING 2018 CMC AFFILIATION RENEWAL FORMS

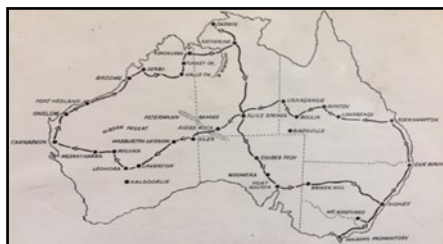

During the first few months of this year, whilst our dear Julie was undergoing treatment in hospital, some of your Club Renewal Forms were mislaid. I've tried contacting clubs and asking for the forms to be resent, but there are still a few that I haven't received. We're not chasing fees, as all these Clubs have paid their Affiliation Fees for 2018. It's the actual forms that I need.

Could the following Clubs please assist me, so that I can complete the CMC Affiliation Register:

Antique & Classic Club	Austin Healey Owners	FE-FC Holden Club
GTR-XU1 Owners	Historic Sports Racing Car Assoc	Jaguar Drivers Club Hunter Region
Jamberoo Classic	Land Rovers Owners Club	Mercedes Benz Club NSW
Morgan Owners Club	Morris Register NSW	Porsche Club NSW
Studebaker Car Club NSW	Sydney Datsun Club	TR Register Aust
		Willys Whippet Overland

*We're doing our best to get around all the jobs that were handled by Julie Williams before she tragically left us, but as you know she looked after many of the systems within the CMC—the Affiliation Register was just one of them.
Your assistance would be greatly appreciated. **Kay***

Crossroads Alice

BMC-Leyland Australia Heritage Group

The BMC-Leyland Australia Heritage Group held a Movie Afternoon on Saturday 23rd June 2018 at Ryde Eastwood Leagues Club, with the main movie being a joint production of BMC-Leyland Australia with Castrol Australia.

Castrol wanted to test its oil in the Australian deserts in the Summer and approached Evan Green who worked for BMC at the time (mid 1960's). The crew were Jack Murray, Evan Green, Scott Polkinghorne and Alan Kemp (see photo below). The map above shows the areas covered by the four, driving a Mini and an Austin 1800. It's an interesting movie running just short of 60 minutes—available through Craig Watson at BMC Experience.

Those present at the Movie Afternoon enjoyed the journey back in time and the afternoon tea that followed. CMC Patron Pedr Davis and his wife Dolores attended on the afternoon—see photo below.

GUIDELINES FOR CLUB COMMITTEE HANDOVER AND HOW TO DOWNLOAD MINUTES & MAGAZINES

These details should be kept with your Club Secretary or Public Officer and handed to the new Committee following your AGM or at a time immediately following any Committee changes.

The Committee of the CMC has identified some issues around club contact details, which are stored on our database, as being incorrect. This means some emails aren't getting to some of our clubs.

If you aren't getting emails from us, it's possible that your details are incorrect OR your computer is treating our emails as SPAM. To overcome this, you need to check your **Junk Mail Folder** and if you find an email in there from us you will need to right click on the message, then click on **Junk Email** and select **Add sender to safe senders list**, this should overcome the SPAM issue.

We are aware that at the time of the CMC Affiliation Renewal each year (31st December) your Club's details may well be correct. However, your contact details and/or the details of your Executive Committee may change during the year for various reasons.

In order to assist your club with handover to a new Committee, or Public Officer, we offer a few suggestions below. We sincerely hope that your kind assistance with this issue will alleviate some of the discrepancies which appear each year in our records and will allow us to keep you informed of important issues in a timely manner.

In order that RMS records for your Club are kept up to date, the Council suggests that the details regarding any Executive Committee changes should also be advised to the Roads & Maritime Service as soon as possible. (*This service has been relocated from Grafton. Please call the RMS or visit their website for details.*) This is especially important if your Club has vehicles on HVS or CVS. Failure to inform them may result in an application for registration being refused.

You must also advise NSW Fair Trading (13 32 20) of your Public Officer and/or address changes.

Guidelines Note: Affiliation Renewals are due on 31st December each year and close 31st March each year
(CMC Constitution states that clubs will be unfinancial if Renewal is not received by 31/3)

As soon as possible following any changes, we would ask that you notify changes of the following to the CMC at
cmcsec@bigpond.com

Executive Committee

President
Vice President
Treasurer
Secretary/Public Officer
HVS/ CVS Registrar
