If possible, we would like to take our club vehicles (registered on HVS & CVS) around the track at our allocated time during the day. We understand the rules involve each club taking responsibility for the actions of its members. No burnouts or tyre-smoking, keep up with the vehicles in front, take directions from the officials. We will ensure no one overtakes any other vehicle while our group is on the track, (except slow moving buses as permitted). We understand our drive is for one and a half laps and we will assemble our vehicles at the marshalling area at the nominated time issued in the programme.
