The Secretary's report spoke of numerous emails, phone calls, e-magazines. Main topics raised were CVS, Dates for SSC 2026, Affiliation renewal forms, and an interactive data base.

Allan Drane gave a comprehensive Treasurers Report, which he will provide to the members soon. The Committee also thanked Allan for his work in securing a club Grant for the room hire at Revesby Workers Club. Allowing us to maximise our Charity donations.

Terry Bebbington to give his Judging Pool report soon.

AHMF/RSF – Tony and Kay attended the AGM in Victoria, CMC to host the 2026 AGM. Tony to give a report shortly.

RSAC – Boyd has replaced Terry on the committee.

6. REPORTS:

Presidents Report: **Terry Thompson** (Terry's report read by Boyd)

There are a few Service NSW centres who are mistakenly telling people that they MUST change to the new plates on renewal of their existing conditional vehicles. This is not true. It is your choice to either keep your existing plates or change to the new ones, but note that if you change, there will be an extra charge for the new plates.

Some people have been told by Service NSW personnel, when doing their initial registrations, that they must have a hand written Blue Slip for CVS, or a hand written Pink Slip for HVS. They have been told that electronic blue or pink slips are not allowed. This is untrue. If the vehicle is on full registration, it is able to access the electronic slips, but once on HVS or CVS, then you are required to get a handwritten pink slip.

HMA, in collaboration with CMC, have put together new vehicle data sheets for HVS and CVS. They have been submitted to TfNSW, with the hope that they will replace the existing data sheets, which have been lacking in clarification.

Secretary's Report / Correspondence: **Karen Symington**

As per Precis.

Treasurer's Report: **Allan Drane**

Allan displayed and read a comprehensive Income & Expenditure breakdown of the last 12 months.

Accepted: Bob Kimpton

Seconded: Kay DeLuca

Carried

Judges Report: **Terry Bebbington**

Terry B reported the Judging Pool had wrapped up for the year. The last event had been for the Cronulla RSL – Motoring Enthusiast Group, on the 26th October, at the Motor Life Museum. It was a great day, even with a little rain. Terry B said that they had had a good year for judging, and that this year's SSC Concours was the best Ever.

He also reported that they already had All American Day, on January 18th at Campbelltown, and HD/HR club on the June long weekend, booked in for next year.

Terry B also presented the 2 Trophies that are awarded for the NMHD.

The John Rumsey Shield – “Best Individual Effort” was awarded to Evan & Jane Quarmby who attended the Motorlife Museum event.

The Rover Owners Shield – “Best Club Effort” was awarded to the Magic Metal Motoring Club for their Richmond “Cruise-In” event.

National Motoring Heritage Day: **17TH May 2026**

We have the Richmond Classic Cruise In run by the Magic Metal Motoring Club and the MotorLife Museum at Dapto holding events for the Day. We have also now been approached by the Campbelltown Steam and Machinery Museum, who are running their show “Oil, Steam & Kerosene” on the 16th & 17th of May 2026, and have asked to be added to our NMHD list.

Shannons Sydney Classic: **16th August 2026**

The weekend of the 15/16th August has now been confirmed. ARDC are very happy with the increase in numbers, and Tony O has confirmed that we can again use the parking area at the Dragway for spectators.

ACMC:

As per Precis.

AHMF & RSF:

Tony reported that the Agenda for the AHMF AGM is the same each year, but it is something we should be involved with.

Some of the topics discussed included the Luxury Car Tax and National uniform rules for Australia.

They also discussed that the NMHD events should include a run.

RSF - There were no applications from NSW, and only 2 or 3 from other states. Tony explained that funds are limited to the RSF account's interest. It was noted that one NSW club had approached RSF on behalf of 10 applicants, however it was after the close & distribution date for this year.

HCCIWG:

Covered in President's report.

RSAC:

Boyd reported that there were no meetings scheduled till next year.

VSWG:

Boyd reported that 2 DRAFTS are awaiting finalisation- Installation of Drawer units in 4WD passenger areas, and Installation of seat belts in Pre ADR cars. In the legal department at moment. Next meeting is in February.

Website and Facebook:

As per Precis.

7. MATTERS OF AFFILIATION: Lester Gough

Lester gave a comprehensive overview of the 2 clubs for voting on.

The All Muscle Car Club Inc and the Chaotic Classics Inc. The Committee had already approved both clubs, and both clubs were voted in. **Carried**

8. TONY DE LUCA – VOLUNTEER OF THE YEAR AWARD:

Lester reported that he had received 11 applications, and the Committee will make the final decisions at the January Committee meeting. Awards to be presented at the January General Meeting 2026.

9. GENERAL BUSINESS:

CMC was asked if due to the St Ives issue raised at the last meeting, should they be telling their members to only use log books. Boyd responded that if there is **any doubt** that the run is a Primary Club event, then they should use the log books. Best suggestion: If in doubt – fill it out.
