It's getting to that time of year again when we put out the call for volunteers to help out with the Shannons Sydney Classic (SSC).

We need volunteers to ensure the smooth running of the event so, if you or your club would like to take part as a volunteer, please let us know by emailing the Secretary, **Julie Williams** at [hollymist@bigpond.com](mailto:hollymist@bigpond.com) or give her a call on **0409 161 357**. You can also put your name on the list at the General Meeting on Tuesday 26th May. There will be a volunteers meeting on a Saturday close to the event at the Greyhound Social Club in Yagoona, from 1pm to 4pm. Afternoon tea will be provided. As soon as we have a date locked in we will let you know.

We are also looking at running the Traffic Training Program at Sydney Motorsport Park again this year. Spaces are limited so if you wish to take part in the training, again email or call Julie. Morning tea and lunch will be provided on the day. Those people who attended the traffic training last year have been able to put their experience to good use at their own club events. It's a great way to get more involved with not only the SSC, but in your own club.

As a means to attract more spectators to the SSC the CMC will be investing in radio advertising again this year, on at least two major Sydney stations. We had a positive response to the advertising for last year's event, it was only the weather that let us down.

The Committee discussed pros and cons of spending money on advertising and decided that it is the best way to attract more 'bums n seats' so to speak, and to promote the movement to a wider audience.

Advertising on the radio will also give us an opportunity to offer something new to spectators.

As part of a competition in conjunction with the radio advertising, we are offering prizes for listeners to take a passenger ride around the track in the vehicle of their choice; with the owner of the vehicle driving, of course.

We will not be able to offer motorbike pillion rides as the safety requirements would be difficult to manage.

The "Come Ride With Us" competition will, we hope, bring in more spectators and potential club members for our clubs. It is also seen as perhaps a way to try and keep the movement alive by attracting some younger members.

As part of the "Come Ride With Us" initiative, we have begun recruiting clubs / club members who would like to offer their vehicles for a ride. To date we have received almost 20 positive replies. If you would like to take part, please contact Julie by filling in the form on page 7 of this issue, or just send her an email. The finer details will be set down and advised to all clubs following the May Committee Meeting.

We want this to be a positive experience for spectators and drivers alike so, we will be putting some rules in place to ensure it's success. In particular, no children will be allowed to ride without a parent or guardian present at all times.

We look forward to hearing from you if you'd like to volunteer for any of the above.

We are doing all we can to really put this event on the map and make it the 'go to' event for all car lovers and their families.

We thank you for your continued support.

**Terry Thompson OAM, President**

# Important Notices

## CARnivale 26th January 2016

"CARnivale will be held on Australia Day, Tuesday January 26<sup>th</sup>, 2016.

The vehicle co-ordinator is working to source a new location because of the increased traffic on Macquarie Street due to the closure of George Street for work on the installation of the light rail.

It may take some time to find a location and reach agreement with the local council, RMS, NSW Police and other agencies so information may not be available until the second half of the year.

It is expected that invitations to enter Australia Day CARnivale 2016 will be sent out as usual in September 2015 with details of the location and arrangements for entrants."

**Our next meeting**  
**8pm Tuesday 26th May 2015**  
**Greyhound Social Club**  
**140 Rookwood Road, Yagoona.**

Meetings commence at 8pm sharp,  
with a social dinner from around 6pm.

Delegates please advise the Secretary at  
[secretary@councilofmotorclubs.org.au](mailto:secretary@councilofmotorclubs.org.au)  
if you are unable to attend a meeting.

You may send a substitute delegate from your club if you need to.  
Again, please advise the Secretary at the above email address.

# Criteria for Celebration of Marque or Club Anniversaries at the Shannons Sydney Classic

In recent years the number of display cars at the SSC has steadily increased, and as such the number of spaces available for celebration of marque or club anniversaries is now at a premium.

For this reason the Committee recently held a lengthy discussion around setting the criteria for celebrating these anniversaries at the Shannons Sydney Classic.

The Committee has endorsed the following criteria for all clubs/marques to follow.

**If you have a celebration due at this year's SSC would you please let us know ASAP by emailing to:**  
[secretary@councilofmotorclubs.org.au](mailto:secretary@councilofmotorclubs.org.au)

## Anniversaries of Clubs:

5 years for first time anniversary, then in 10-year intervals. i.e. 10, 20, 30 etc.

**Major motoring events and vehicle models** in time intervals of 10 years or multiples thereof.

Celebration of an event should only be for major milestones such as:

- 1<sup>st</sup> Australian GP
- 1<sup>st</sup> Redex trial or Round Australia Trial
- Opening of 1<sup>st</sup> Holden body works
- 1<sup>st</sup> Sydney to Melbourne journey by car

## Vehicle model anniversaries to include:-

Release of a new model name (excluding a series No. Such as "XJ6 series 3", "First Mustang but not the fourth version")

Release of a model upgrade which includes a significant body remodelling or design (Spitfire 4 or MGB GT may qualify)

Release of a significant and innovative technological upgrade (Skyline GTR would qualify as distinct from early variations to the original Datsun Skyline)

Release of a model variation which had a major impact on Australian motoring events or history (Ford Falcon GT, Pontiac GTO instead or Mini Cooper S would fall under this category).

# Club Chat

## The Oasis Runs

Here are some happy snaps from the March Oasis Run.

If you haven't experienced one of these great runs you should put it into your calendar as a must do. They are always interesting and fun and it's a great way to meet some really nice, like-minded people.

The runs take place on the first Tuesday of every month and you can get all the details from the CMC website in the Coming Events Calendar.

**However, the April run did not take place this year because it fell too close to the Easter break.**

## CMC Committee Chats

If you would like a member of the CMC to come along to your Club's general meeting to chat about the role of the CMC and answer questions, please let us know. Just email the Secretary, Julie Williams at [hollymist@bigpond.com](mailto:hollymist@bigpond.com) to arrange a date and time.

## 1930 Bentley

More info at <http://www.thewholecar.com/1930-bentley-blue-train-recreation>

If you're looking for a luxury car without the distractions of modern life, look no further. Who needs silly optional extras like GPS, seat heating or seatbelts, when you've got stuff like matching liquor cabinets with a decanter and crystal glasses? Besides that, you're looking at a car with an extraordinary history. This replica was built to commemorate an infamous race between a solid piece of British Engineering and a world famous train.

We begin our story in 1930, in the heart of interbellum Cannes, where some early petrol heads decided to make a bet after a heated discussion. The subject of that discussion was an advertisement by Rover that claimed its car had beaten the famous 'Train Bleu' from Calais to the French Riviera. The proud French, of course, didn't abide by this shameless blemish on their proud cultural heritage. However, playboy millionaire Captain Joel Woolf Babe Barnato (If you're a millionaire you can have as many names as you wish apparently) was prepared to wager £100 that he could do it again in his Bentley Speed Six. Mind you, this is 1930 - the average yearly income in the UK was around £165 at the time, so it's not like we're talking small money here.

In the early morning of the following day, the blue train left Calais, quickly followed by Barnato and his Bentley. The 180 bhp strong car roared through quiet France, but even though they started fairly well, you can only have so much luck. A punctured tire, a desperate search for petrol in the French countryside and heavy weather made the victory less than assured. Nevertheless, even after a choppy ferry ride back to England, they reached central London minutes before the Blue Train steamed its way into Calais.

The story doesn't end there, though. When the French authorities caught wind of the race, they were furious. They fined the millionaire a hefty sum, far more than the money he won with his bet, for racing on French public roads. Along with that they also banned Bentley from the Paris motor show that year for having advertised an unauthorised race. However, that didn't prevent the car and the story from becoming legendary.

*Lynelle Titcume, CMC Committee - Events Coordinator.*

News for future travellers on CMC Tour : As first time travellers the Tour opened our eyes to a whole new world, the combination of cars & history suited both our interests. It's hard to summarise such a very comprehensive tour- even though we visited 9 car factories the tour was well balanced in that we had maybe a car touring the am followed by lunch in a country pub & maybe a castle visit or tour of a Cotswold village in the pm.

Each evening there was much chatter about visits to McLaren (very James Bond style factory), MG Car Club. Stuart would have stayed there all day), Jaguar which was an extensive interesting tour of a modern factory & others.

Goodwood was the special reason for the tour, an event in itself, many cars, large crowd, massive amount of stalls, people dressed in various period costumes & of course racing ERA,S super racing, drifting through start of corners to exit (no roll bars). The atmosphere was a cross between Melbourne Cup & Easter Show.

We covered a lot of history-ancient (Stonehenge) , Roman (Bath)), 16th Century (Stratford our base for a few days-so much to see). Our tour was absolutely packed with stops at places of interest eg. Queen Victoria's home on the Isle of Wight & things that just happened along the way eg. wild ponies in the New Forest on the way to Beaulieu, unexpected lunch at a harvest festival complete with Morris Dancers.

We stayed at a variety of hotels, the first up was Winchester Mercure with the massive cathedral in our backyard, another a little different at Devil's Punchbowl, a comfy place full of English charm. The tour finished on a high note at Blenheim Palace a.m. & Oxford p.m.

It was a very active tour with not a moment wasted. Our bus companions added enjoyment & friendship.

Thank you Lynelle, **Wendy & Stuart Schofield**
